Subject: NRC-related Class III Permit Changes for Dewey Burdock

Hi Darcy: fyi, Rick completed the attached table this week summarizing the changes we plan to make (or are considering) to the Class III Permit which were informed by our recent technical discussions with NRC. We met and briefly discussed these with Bill Bates and Suzanne Kelly (on his staff) today at their request.

We touched on a couple of these changes in our 8/10 briefing document for Greg.
